

Pointer Fish and Game Club Range Rules

1. - This facility is for the use of Pointer Fish and Game Club members and their guest only.
2. - All members must sign in before using the facility.
3. - Access gates must be closed and locked after entering the facility.
4. - Targets on all ranges are to remain in their respective positions in front of the impact berm. Under no conditions are targets to be moved up range and fired upon.
5. - Steel jacketed rounds are not allowed to be used. Broad heads on the archery range targets are not allowed.
6. - Only paper targets are to be used for target practice. Exceptions to this are in the case of Hunter Safety demonstrations and Trap range use.
7. - All firearms are to be unloaded when persons are down range.
8. - Protective eyewear and hearing protection will be used when firing.
9. - Other than field maintenance staff, no one is allowed to drive wheeled vehicles on the ranges.
10. - Courtesy for other members using the ranges will be observed at all times. If you are asked to show your membership card by any other member, you are required to do so. Members should not use the facility without having their membership card in their possession. Town of Bedford Police patrols the property. You are required to show proof of membership to them if asked to do so.
11. - All shooters are responsible to clean up their shell casings and any other refuse they bring to the range. If you bring it in, take it home.
12. - Alcoholic beverages will not be used while shooting. Anyone found to be using the ranges in a less than sober state will be brought before the Board of Directors for violation of this policy.
13. - Use of illegal drugs on all club properties is strictly forbidden.
14. - Report all transgressions of ~~these~~ rules to your duly elected club officers along with any pertinent information. Do not ~~get~~ into any confrontation with other persons over the above rules.

Members: As a member, you own this facility. It is required that you use it as though it is your home. Use it wisely.
