Subject: NHWF Dam removal position

Date: Tuesday, February 24, 2009 1:46 PM

Hello Friends,

We want to provide you with an update:

On March 23, 2009, the New Hampshire wildlife Federation at its 7PM Board and Delegates meeting will be calling for a vote to take an official position on the removal of dams within the State of New Hampshire. As delegates you have the opportunity to speak on behalf of your clubs at the meeting. We welcome you to join us 54 Portsmouth Street in Concord.

Bob Dufresne

NHWF Communications Chair
